Special Treatments

Reflexology

Reflexology is a science which deals with the principle that there are reflexes in the feet relative to all organs, functions and parts of the human body. Applying pressure to these points can bring about amazing results. Reflexology relieves stress, normalizes functions, balances the body and relieves pain. Our treatment includes a therapeutic neck and shoulder massage. 85 Minute treatment includes soothing paraffin treatment for hands and feet.

55 minutes \$120 (M-Th) \$140 (Fri-Sun)

85 minutes \$155 (M-Th) \$165 (Fri-Sun)
